

## Is EMERGENCY maintenance required after hours?

Has an emergency repair or maintenance issue arisen outside of our business hours?

If you are a TENANT you are **not authorized** to arrange any repairs on behalf of the Strata Company. Please contact your Landlord or Property Manager to arrange repairs.

If you are an OWNER or PROPERTY MANAGER and have a genuine urgent maintenance matter to arrange outside of our office hours (being Monday to Friday, 9:00am to 4:00pm) you may do so. Before arranging a contractor to attend please read the information below.

An emergency is strictly a situation which places a person or property in immediate potential danger, or refers to property damage that must be addressed as a matter of urgency to prevent further damage. Any repairs that can be addressed the following business day must not be arranged after hours as this is a costly option for owners of the strata property.

Our office reserves the right to refuse payment of invoices for work that is not a Strata Company responsibility and is not of an urgent nature.
