

Is EMERGENCY maintenance required after hours?

Has an emergency repair or maintenance issue arisen outside of our business hours?

If you are a TENANT you are not authorised to arrange any repairs on behalf of the Strata Company. Please contact your Landlord or Property Manager to arrange repairs.

If you are an OWNER or PROPERTY MANAGER and have a genuine urgent maintenance matter to arrange outside of our office hours (being Monday to Friday, 9:00am to 4:00pm) you may do so. Before arranging a contractor to attend please read the information below.

An emergency is strictly a situation which places a person or property in immediate potential danger, or refers to property damage that must be addressed as a matter of urgency to prevent further damage. Any repairs that can be addressed the following business day must not be arranged after hours as this is a costly option for owners of the strata property.

Our office reserves the right to refuse payment of invoices for work that is not a Strata Company responsibility and is not of an urgent nature.
