Notes for WILLIAM BEACHAM:

William arrived in WA aboard the "Lotus" on the 6 October 1829 with his wife Mary and their 5 children. He was one of Latour's men. They lived in Perth and Guildford for a time before settling on the Murray River at Pinjarra on the "Jim Jam" property about 1836. Willam, James Joseph and Levi worked for Charles Browne, the original owner of "Jimjam" until William paid a 300 pound deposit on the farm with, I suspect, help from George Green, son-in-law. Eventually the farm was paid off in 1841.
